DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Plimier on 5-31-06.

The application has been amended as follows:

In claim 1, line 4 after "layer" add -- and being coated with an electrically conductive material where the thermally conductive material and the electrically conductive material are different--

Claim Allowance

Claims 16-20 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not suggest or teach a method, particularly applying the thermally conductive material to the first side of a layer where the thermally conductive material is applied to at least one of the via and the trace and connecting the components.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
